Commemorative Alumni Brick Walk and Ceremony Resolution

New Jersey Institute of Technology’s Student Senate, the only student organization recognized by the University to represent the entire undergraduate student body, is proud to propose the following resolution and plan to strengthen the relations between NJIT and its alumni.

WHEREAS, The Student Senate sees a desperate need to address the lack of alumni presence and connection with our campus

WHEREAS, The proposed project will likely increase the amount of charitable donations made to the University, which in turn could be used for scholarships or other University enhancements

WHEREAS, Current students, recent graduates, and established alumni have expressed a strong interest in the “Commemorative Alumni Brick Walk”

WHEREAS, Proud NJIT alumni should be given an opportunity to leave a lasting impression with their University, as the University has made a lasting impression on them

WHEREAS, The proposed “Brick Walk” will add an aesthetically pleasing landscape to our campus that aligns seamlessly with NJIT’s master redevelopment plan

WHEREAS, A Commemorative Brick Placement Ceremony would be a well merited farewell for our graduating seniors, that builds a stronger sense of camaraderie and a everlasting connection with NJIT

THEREFORE, BE IT RESOLVED, That the Undergraduate Student Government of the New Jersey Institute of Technology is proposing for the university to remain consistent with their dedication to the students by adding a “Commemorative Brick Walk” and a “Commemorative Brick Walk Ceremony”

BE IT FURTHER RESOLVED, That the attached proposal shall serve as a guide to the specifics of moving forward with implementation of the proposed ideas.

BE IT FURTHER RESOLVED, That the NJIT Student Senate, along with the Senior Class Committee, is looking forward to working with administration to ensure proper execution of the proposed plan

Commemorative Alumni Brick Walk and Ceremony Proposal

Overview

It is imperative that the University establishes a strong relationship with the students adding value to our respected name; from their opening days of orientation, to the end of their college experience. This project will enable NJIT to offer alumni, friends, students and parents a unique opportunity to become an integral part of the University. The Brick Walk will provide lasting recognition of each graduate for others to observe, and enjoy, along a path that signifies NJIT’s continued growth and stature as an academic institution.

Location

The proposed location has been broken into 2 phases. Phase 1 would be the most immediate location circling mostly around the Campus Center plaza (2), the upper and lower greens (21), and alongside the Campus Center leading into the plaza in front of Fenster Hall (7). Phase 2 would eventually be our prime location coming down Summit Street in front of the newly renovated Central King Building. This location would be most ideal since that part of Summit Street is planned to become an aesthetically pleasing pedestrian walkway.
Your Brick Directly Supports NJIT Services

By purchasing an engraved brick, you create a lasting memory that honors a graduate, organization or event. Proceeds from the Brick Walk help support a variety of essential student and university services at NJIT. These funds also may be used for scholarships and more.

Brick Purchasing Dedication and Ceremony

Bricks can be purchased at any time throughout the year, but they are engraved and added to the walk only once a year. NJIT will host an annual Brick Walk Dedication Ceremony to celebrate those new bricks being added to the walk. An online order form can be created via our NJIT Commencement website.

An example of pricing and details of bricks can be seen below: (Will vary depending on final details)
