SECTION 1 - Definition

Members of the Student Senate may be impeached for violating this Constitution or the Standing Rules or if they are judged to have engaged in conduct unbecoming a Senator. 2. An absence may be excused upon the recommendation of the Judicial Review Committee.

SECTION 3 - Procedure for Impeachment

1. A motion to begin impeachment proceedings may be initiated by a motion by the Judicial Review Committee or a voting member of the Senate. The grounds for impeachment must be stated at the time the motion is made. Such motion shall require a majority vote to be approved and shall be exempt from a veto by the President. If the grounds for impeachment are for the accumulation of 3 absences or more, then no motion is to be made; the Senate member in question will automatically be put up for Judicial Review and notified.
2. The secretary of the Judicial Review Committee shall notify the member in question immediately after the meeting at which the impeachment motion was approved by the method outlined in the Standing Rules.
3. If desired, the impeached member may request a hearing with the Judicial Review Committee. Such request must be made within 72 hours of the conclusion of the meeting at which the impeachment motion was approved.
4. After the expiration of the 72 hour period, the Judicial Review Committee shall meet and vote on its recommendation to the Senate. Such meeting must occur with the member up for impeachment if such meeting was requested by the procedure in this Section.
5. At the ensuing Senate meeting, the committee shall announce its recommendation to the Senate. The Senate shall then vote on removal of the member in question. Removal shall require two-thirds vote of the Senate.

Ratification requires the affirmative vote of two-thirds of the voting membership of the NJIT Student Senate.
